3 CODE AS A NEW SECTION TO READ AS FOLLOWS  
4 [EFFECTIVE JULY 1, 2005]: Sec. 1.2. "Affected statutes" means all

13 FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 1. This chapter may be  
14 cited as "The Indiana ~~development~~ finance authority law".

15 SECTION 4. IC 4-4-11-2 IS AMENDED TO READ AS  
16 FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 2. (a) The legislature  
17 makes the following findings of fact:

18 (1) That there currently exists in certain areas of the state critical  
19 conditions of unemployment, **inadequate drinking water,**  
20 **inadequate wastewater and storm water management,** or  
21 environmental pollution, including water pollution, air pollution,

sewage and solid waste, radioactive waste, thermal pollution, radiation contamination, and noise pollution, and that these conditions may well exist, from time to time, in other areas of the state.

(2) That in some areas of the state such conditions are chronic and of long standing and that without remedial measures they may become so in other areas of the state.

(3) That economic insecurity due to unemployment, **inadequate drinking water, inadequate wastewater and storm water management**, or environmental pollution is a menace to the health, safety, morals, and general welfare of not only the people of the affected areas but of the people of the entire state.

(4) That involuntary unemployment and its resulting burden of indigency falls with crushing force upon the unemployed worker and ultimately upon the state in the form of public assistance and unemployment compensation.

(5) That security against unemployment and the resulting spread of indigency and economic stagnation in the areas affected can best be provided by:

- (A) the promotion, attraction, stimulation, rehabilitation, and revitalization of industrial development projects, rural development projects, mining operations, and agricultural operations that involve the processing of agricultural products;
- (B) the promotion and stimulation of international exports; and
- (C) the education, both formal and informal, of people of all ages throughout the state by the promotion, attraction, construction, renovation, rehabilitation, and revitalization of and assistance to educational facility projects.

(7) That there is a need to stimulate a larger flow of private investment funds from commercial banks, investment bankers, insurance companies, other financial institutions, and individuals into such industrial development projects, rural development projects, mining operations, international exports, and agricultural operations that involve the processing of agricultural products in the state.

(8) That the authority can encourage the making of loans or leases for creation or expansion of industrial development projects, rural development projects, mining operations, international exports, and agricultural operations that involve the processing of agricultural products, thus putting a larger portion of the private capital available in Indiana for investment to use in the general economic development of the state.

(9) That the issuance of bonds of the authority to create a financing pool for industrial development projects **and carrying out the purposes of IC 13-18-13 and IC 13-18-21** promoting a substantial likelihood of opportunities for:

(A) gainful employment;

(B) business opportunities;

(C) educational enrichment (including cultural, intellectual, scientific, or artistic opportunities);

(D) the abatement, reduction, or prevention of pollution;

**(E) the provision of safe drinking water;**

**(F) the provision of wastewater and storm water management;**

~~(F)~~ **(G)** the removal or treatment of any substances in materials being processed that otherwise would cause pollution when used; or

~~(F)~~ **(H)** increased options for and availability of child care;

will improve the health, safety, morals, and general welfare of the people of the state and constitutes a public purpose for which the authority shall exist and operate.

(10) That the issuance of bonds of the authority to create a funding source for the making of guaranteed participating loans will promote and encourage an expanding international exports market and international exports sales and will promote the general welfare of all of the people of Indiana by assisting Indiana businesses through stimulation of the expansion of international exports sales for Indiana products and services, especially those of small and medium-sized businesses, by providing financial assistance through the authority.

(b) The Indiana ~~development~~ finance authority shall exist and operate for the public purposes of:

(1) promoting opportunities for gainful employment and business opportunities by the promotion and development of industrial development projects, rural development projects, mining operations, international exports, and agricultural operations that involve the processing of agricultural products, in any areas of the state;

(2) promoting the educational enrichment (including cultural, intellectual, scientific, or artistic opportunities) of all the people of the state by the promotion, development, and assistance of educational facility projects;

(3) promoting affordable farm credit and agricultural loan financing at interest rates that are consistent with the needs of borrowers for farming and agricultural enterprises;

(4) preventing and remediating environmental pollution, including water pollution, air pollution, sewage and solid waste disposal, radioactive waste, thermal pollution, radiation contamination, and noise pollution affecting the health and well-being of the people of the state by:

(A) the promotion and development of industrial development projects; and

**(B) carrying out the purposes of IC 13-18-13 and IC 13-18-21;**

**(5) promoting the provision of safe and adequate drinking water and wastewater and storm water management to positively affect the public health and well-being by carrying out the purposes of IC 13-18-13 and IC 13-18-21;**

**(6) otherwise positively affecting the public health and well-being by carrying out the purposes of IC 13-18-13 and IC 13-18-21; and**

~~(5)~~ (7) promoting affordable and accessible child care for the people of the state by the promotion and development of child care facilities.

(f) For purposes of subsection (e), the available balance of the insurance fund does not include the outstanding principal amount of any fund investment in a corporate note or obligation or the part of the

fund that has been established as a reserve for losses.

(g) Except as provided in section 4 of this chapter, all interest and other income earned on investments of the insurance fund and all amounts collected by the board accrue to the fund.

(h) Members of the board and any officers or employees of the board are not subject to personal liability or accountability by reason of any investment in any of the obligations listed in subsection (d).

SECTION 67. IC 5-13-12-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 8. (a) The board for depositories, in making the industrial development obligation or credit enhancement obligation guarantees authorized under section 7(d)(6) of this chapter, shall comply with the following limitations:

(1) A guarantee shall be made only of industrial development obligations or credit enhancement obligations for the purpose of retaining, retaining and expanding, or bringing significant employment into Indiana, as determined by the board under subdivision (3)(A).

(2) Each industrial development obligation or credit enhancement obligation must be guaranteed not only by the board but also by the Indiana ~~development~~ finance authority created by IC 4-4-11. Each guarantee must provide that in the event of a valid claim of loss by the lender, the lessor, or the issuer of the credit enhancement arising under the industrial development obligation or credit enhancement documents, the amount of the loss, up to two million dollars (\$2,000,000), shall first be paid by the industrial development project guaranty fund created by IC 4-4-11-16, and only the remainder of the loss, if any, shall to the extent guaranteed be paid by the public deposit insurance fund. Neither fund is responsible for the amount due from the other under its guarantee.

(3) The guarantee of the industrial development obligation or credit enhancement obligation by the board for depositories must

be recommended by the Indiana development finance authority.  
 Subject to that recommendation, the board for depositories may  
 make the guarantee if it determines:

(A) that the guarantee creates a reasonable probability that loss  
 in Indiana employment that would occur will be significantly  
 reduced or that Indiana's employment will be significantly  
 expanded;

(B) that the consequent reduction in employment loss or the  
 expansion in employment will enhance the economic stability  
 of the community or communities in the state where the  
 borrower or lessee conducts its business;

(C) that there is reasonable probability that the industrial  
 development obligation will be repaid or satisfied or that the  
 credit enhancement will be satisfied; and

(D) that the industrial development obligation or credit  
 enhancement obligation and guarantee are protected against  
 loss and the borrower or lessee has agreed to pay the insurance  
 fund a guarantee premium annually as provided in subdivision

(6).

(4) Protection against loss on the industrial development  
 obligation or credit enhancement obligation guaranteed will be  
 provided:

(A) in loan transactions by:

- (i) a valid security agreement;
- (ii) mortgage;
- (iii) combination of (i) and (ii); or
- (iv) other document; and

(B) in lease transactions by the guaranteed party's rights as  
 owner of the leased property.

(5) The term of the guarantee must not exceed twenty (20) years.  
 The amount of the guarantee provided by the board, together with  
 the corresponding guarantee to be provided by the industrial  
 development project guaranty fund under subdivision (2), must  
 not exceed:

(A) the lesser of:

- (i) ninety percent (90%) of the unpaid balance of the  
 obligation; or
- (ii) ninety percent (90%) of the appraised fair market value  
 of the real estate;

if the obligation is backed by real estate;

(B) the lesser of:

- (i) seventy-five percent (75%) of the unpaid balance of the

- 1 obligation; or
- 2 (ii) seventy-five percent (75%) of the appraised fair market
- 3 value of the equipment;
- 4 if the obligation is backed by equipment; or
- 5 (C) a weighted average of the figures derived under clauses
- 6 (A)(ii) and (B)(ii) if the obligation is backed by real estate and
- 7 equipment.
- 8 (6) The guarantee premium to be received by the public deposit
- 9 insurance fund for the guarantee must be at an annual percentage
- 10 rate on the outstanding principal amount of the industrial
- 11 development obligation or the credit enhancement obligation of
- 12 not less, in the discretion of the board, than the market rate for
- 13 guarantees, mortgage insurance rates, or letters of credit used for
- 14 similar purposes at the time the guarantee is made. However, the
- 15 annual percentage rate must not exceed two percent (2%) of the
- 16 outstanding principal obligation.
- 17 (b) The following conditions apply to the making of bond bank
- 18 obligation guarantees under section 7(d)(7) of this chapter:
- 19 (1) Each bond bank obligation guaranteed must be secured by a
- 20 pledge of securities of a qualified entity (as defined in
- 21 IC 5-1.5-1-8) under an indenture of trust requiring an adequate
- 22 debt reserve fund.
- 23 (2) The board for depositories shall fix the one (1) time or annual
- 24 charge to be paid by the bond bank for each guarantee in an
- 25 amount considered by the board to be appropriate and consistent
- 26 with the market rate for that guarantee, taking into consideration
- 27 the terms of the indenture applicable to the bond bank obligation.
- 28 (3) The board for depositories may agree to other terms for each
- 29 guarantee that the secretary-investment manager certifies as being
- 30 commercially reasonable and that the board, in its judgment,
- 31 determines to be proper.
- 32 (c) Any claim, loss, or debt arising out of any guarantee authorized
- 33 by section 7(d)(6) or 7(d)(7) of this chapter is the obligation of the
- 34 board for depositories payable out of the public deposit insurance fund
- 35 only and does not constitute a debt, liability, or obligation of the state
- 36 or a pledge of the faith and credit of the state. The document evidencing
- 37 any guarantee must have on its face the words, "The obligations created
- 38 by this guarantee (or other document as appropriate) do not constitute
- 39 a debt, liability, or obligation of the state or a pledge of the faith and
- 40 credit of the state but are obligations of the board for public
- 41 depositories and are payable solely out of the public deposit insurance
- 42 fund, and neither the faith and credit nor the taxing power of the state

1 is pledged to the payment of any obligation hereunder."

2 (d) Any claim of loss by a lender or lessor under a guarantee  
3 authorized by section 7(d)(6) or 7(d)(7) of this chapter, at the time it is  
4 made in writing to the board, has priority against the fund on all claims  
5 made after that time.

6 SECTION 68. IC 5-13-12-10 IS AMENDED TO READ AS

12 under section 7(d)(8) of this chapter, the board may upon the request of  
13 the authority permit a subordination of any valid security agreement,  
14 mortgage, combinations thereof, or other appropriate document  
15 securing the direct obligations, if the board in its discretion determines  
16 that the subordination is reasonably necessary to accomplish the  
17 objectives of the industrial development project.
